REMARKS

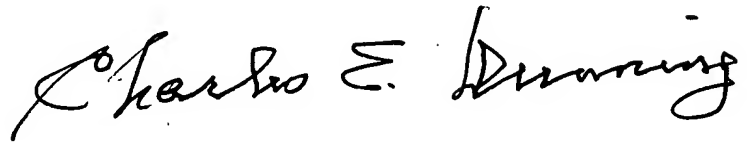

Applicants wish to thank the Legal Instruments Examiner for pointing out in a Notice of Non-Compliant Amendment (copy enclosed herewith) mailed 07/14/2005 that the listing of claims provided in the 02/11/04 Preliminary Amendment was incorrect, and applicants apologize for this error. Thus, applicants are providing herewith a Corrected Section for the Listing of Claims. The primary changes were to delete the "Withdrawn" identifiers used for claims 1, 15 – 18, 21 – 23, and 34 – 39, and instead to use "Canceled" identifiers, which applicants understand do not require copying the claim texts. In addition, the "Original" identifier used in error for claim 14 in the 2/11/04 Preliminary Amendment was changed to "Currently Amended," as the claim does include added phrases. Also, minor changes were made in some of the claims to make them compliant with good form. All of the changes made subsequent to the 2/11/2005 Preliminary Amendment are identified by shading in a copy of the claims provided in the Appendix.

Following the examiner's earlier restriction requirement, applicants retain the right to present Claims 1, 15 – 18, 21 – 23, and 34 – 39 in future divisional applications.

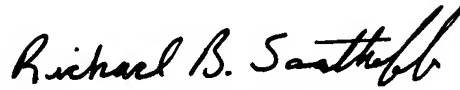

In view of the foregoing changes, this application is believed to be in condition for examination. If the applicants have overlooked any matters, the Examiner is invited to call the number listed below.
